

Parents/Guardians of Delaware Burn Camp participants,

For your convenience, we are providing transportation to and from the camp at designated pick up locations in each county. During camp week, we will be transporting the campers to activities scheduled off the campgrounds. A local volunteer fire department will provide transportation for those events. Permission is required releasing Delaware Burn Camp and all participating fire departments from any manner of liability for transportation provided to the campers.

Please sign below for your child's transportation and participation in activities off the campgrounds. Mail this form with the registration packet by June 1st.

I am the parent/guardian of _____(camper's name) and give consent for activities and transportation arrangements made by the Delaware Burn Camp.
